On our facebook and twitter pages we post a lot of quotes about missions and evangelism. Here is a recent quote we posted and the response:

"People who don't believe in missions have not read the New Testament. Right from the beginning Jesus said the field is the world. The early church took Him at His word and went East, West, North and South." ?; J. Howard Edington (via Gospel For Asia)

Natalia Martins I totally agree!

Davo Roberts As Stott once said, where ever we are as Christians is a mission field - be that in the two-thirds world, our home, our university, our supermarket or our workplace...

Marcos Antonio Ferreira Everywhere, all the time, no rest. Missions needs to be our heart beat!

Pat Burman What about missions in the Old Testament - right from Abraham being told to leave home for unknown places - right through where God's name is proclaimed through the nations. Wow!
