Last week (16 August 2010), I asked Dr. Atul Y. Aghamkar to post on "Partnership in Evangelizing Global Hindu Diaspora." Related, the wind of God is blowing across the Himalayas and beyond to the Himalayan people in diaspora.

Click on the link to read this report of their gathering in 2009, written by Charisma Lepcha and featured in the Lausanne World Pulse, August 2010.

For extensive study on Himalayan people and their scattering as a nation, readers may consult Dr. Cindy Perry's work, *Nepali Around the World* (ISBN: N000005852).

The followers of Jesus Christ in this diaspora group are truly advancing the Kingdom!
